8:30 a.m.-12:30 p.m. - Mandt Training (Day Two)

**Mandt System Training**

The Mandt System builds on skill development through a system of gradual and graded alternatives for deescalating and assisting people using a combination of interpersonal communication skills, conflict resolution strategies and physical interaction techniques.

The goal is to assist others in managing themselves and the safety of all involved through skillful and nonphysical means. Physical strategies are also taught to provide additional “least restrictive” options in the event the person poses a clear threat of substantial harm to self or others if physically unassisted.

*The focus of The Mandt System is primarily on prevention.*

**6  
OPI  
Renewal Units**

Participation by individuals from outside of Region II is welcome; however, a \$25.00 per person fee is required for the workshop. Region II consists of the counties of Cascade, Teton, Pondera, Toole, Glacier, Liberty, Hill, Blaine, and Chouteau.
